Fund raiser – rummage sale:

Discussion was held concerning the rummage sale mentioned at last meeting. The night of 12-10-10 has been approved. Cam reported the coaches are aware of the sale and will be gathering items for the sale. Angie S. will place add to get donated sports items for the sale. Volunteers for the sale committee are Rick Ermer, Angie V. Angie S., Sara, and Mark. The committee was unanimously approved.

New Business:

Cam raised discussion on updating the booster contributor list. The plan is to have it update it once per month. The scorer's bench needs three bleacher seats. These will be provided by boosters. The schedule for wish list items was discussed. The January meeting will be a good time to work on wish list items. .

Concessions:

Angie S, and Angie V, have found many businesses prefer after the holidays to volunteer for concessions. Help is needed for early games on quad nights also. Norma reported that Coke was not getting machines moved to BB concessions. Cam was aware the delay was due to serial numbers not matching but believed the issue will be resolved in time. Norma reported that Post Prom has proposed selling root beer floats next to concessions. The proposal was discussed. The directors did not believe it is up to the Sport Booster to allow or deny the Post Prom fundraiser. The committee believes the school needs to decide if the root beer floats fund raiser should be allowed and if the floats will be allowed in the gym.

Merchandising;

Sara reported boy and girls BB shirts came in. Doug raised discussion on the possibility of using fancloth.com catalog for merchandise sales. The committee decided this was not a good fit at this time.

New Business;

Angie S. reported the web site technician is requesting some input on updating the site. Doug will look at the welcome. Chad and Ted will get the tournament dates to the site technician. Sara reported that Denise Sankey's name is still listed for merchandising. Doug and Mark will meet with the technician to review the site. The secretary will also begin sending approved minutes to be posted.
